

Lexington Law is the nation's leading provider of credit repair services. Our firm has served over 1/2 million clients since 1991.

Our services target **all factors** that contribute to a healthy credit report: your credit listings (either good or bad,) the amount and type of debt in your name, and the number of inquiries on your file.

BUREAU DISPUTES

Our Regular service level covers the essentials of credit report repair. Our time-proven methods of credit repair are employed on your behalf to help you clean up your credit reports. The tools and features of our Standard service are included in each of our service levels.

- Unlimited disputes
- Risk-free refund policy
- Free support
- Same day service
- No hidden fees
- Cancel anytime

CREDITOR-DIRECT INTERVENTIONS

While our Regular service focuses solely on disputing items with the credit bureaus, our Concord Standard service level adds several interventions which are targeted directly at your creditors. This allows us to help you attack your credit issues on multiple fronts, and increases the likelihood of accelerated results.

- Goodwill interventions
- Escalated info requests
- Debt validation

CREDIT SCORE COACHING

Attaining an excellent credit rating may take more than removing negative items from your credit reports. Our most comprehensive level of service affords additional benefits specifically designed to improve, monitor, and protect your credit rating, giving you an expanded opportunity to help you seek effective and enduring credit improvement.

- Monthly score analysis
